

Join us

in owning a part of Lakeside Nature Center. Think how exciting it will be to step outside and see your name, your child's name, or your company's name on a brick in our beautiful courtyard surrounded by wildflowers.

Between the public golf courses, golf academy, Starlight Theater, and the Zoo, Lakeside Nature Center is an exceptional visitor's attraction. We have combined the expertise of three separate entities—Missouri Department of Conservation, Kansas City MO Parks, Recreation and Boulevards, and the Friends of Lakeside Nature Center to create a truly unique educational experience for everyone in the greater Kansas City area. The Center highlights our native Missouri live animal exhibits plus informative exhibits relating to our urban environment. We continue our fascinating educational programs held at the Nature Center, and out in the community, along with our highly successful wildlife rehabilitation program.
